CUSTOM MADE PRODUCTS CATALOG

WE CHALLENGE WITH OURSELF FOR THE BEST

Tuva Home, as a manufacturer of Home & Hotel Textile segment, was established in 2005, located in Denizli, Turkey. Sustainable growth of the company achieved by the investments realized since the establishment of company, and today company has become a Global Organisation, and exports its products to all over the world.

Additionally to Home & Hotel Textile Collections, Tuva Home also produces items especially for the individual requirements of customers. These products are quite abundant and nearly cover all the ranges of Custom Made Textile products. Its core products are Towels, Bathrobes, Blankets, Ponchos, Pillows & Cushions. Beside, it produces Kitchen Textile, Bath Textile, Baby & Kids Textile and Fan products.

We Produce Meticulously

High technology, professional staff, various product range...

Customer satisfaction is focused on carrying out the work of a professional team, Tuva Home pays importance to environment, occupational health & safety issues, is a member of Sedex and it has SMETA (4 Pillar), TCCC and Disney Audits. Tuva Home has GRS certificate and production processes conform to the Oeko-Tex standards.

SUSTAINABLE

SUSTAINABLE PRODUCTS

FOR A GREEN WORLD

Sustainability is a concept which we have been hearing more about in recent years. The acceleration of industrialization in parallel with the increasing world population has led to the faster, uncontrolled and in a way ruthless use of natural resources. Sustainability means a stop to this; It is a philosophy that aims to ensure a more controlled use of these resources and to reduce the damage to nature to a minimum or even to zero!
